Summary

Efficient and detail-oriented Project Coordinator with 7+ years of experience in end-to-end project coordination, manufacturing workflow tracking, and interdepartmental coordination. Skilled in FMS/MIS reporting, data analysis, scheduling, and cross-functional communication to streamline workflows and ensure timely delivery. Proficient in MS Office, Tally, ERPNext, Project Libre, and project execution support. Seeking opportunities in project coordination, operations management, or executive support to contribute to organisational success.

Professional Experience

- Vdeal System Limited | Project Coordinator

April 2026 – Present

 - Monitored the end-to-end project lifecycle, maintaining FMS sheets to track project status, pending activities, and timelines.
 - Coordinated with Sales, Electrical Design, Mechanical, Purchase, Stores, Quality, and Production teams for PO verification, drawings, BOMs, approvals, vendor coordination, and manufacturing order tracking.
 - Managed regular client communication through calls and emails, coordinated internal/client meetings, prepared MOMs, and obtained client confirmation for panel dispatch.
 - Coordinated with the Accounts team and clients on invoicing and payment-related follow-up, ensuring timely resolution and documentation.
 - Monitored project bottlenecks and escalated critical issues to higher authorities to ensure timely resolution and minimize project delays.
 - Coordinated with the Service team and clients to resolve post-delivery service issues during the warranty period and ensured proper follow-up until closure.
 - Prepared MIS reports, tracking project progress, pending activities, escalations, and overall execution status.
- Sai BioCare Pvt. Ltd. | Administrative Coordinator

July 2024 – March 2026

 - Streamlined interdepartmental coordination, reducing process delays by 20%.
 - Optimized workflow efficiency, improving task completion rates across teams.
 - Enhanced reporting accuracy, enabling better decision-making for management.
 - Implemented standardized meeting protocols, ensuring effective documentation.
- Gayatri Devi Group | Administrative Executive

June 2022 – June 2024

 - Managed vehicle and driver operations, including service scheduling, payment processing, driver leave management, and salary sheet preparation.
 - Improved client communication, increasing customer satisfaction and response times.
 - Managed travel and event logistics, reducing operational costs by 15%.
 - Developed structured documentation practices, improving information accessibility.
- Kemron Lubricants | Administrator

July 2019 – May 2022

 - Supervised financial records, invoicing, and inventory tracking.
 - Provided administrative support, procurement handling, and process improvement.
 - Managed data entry, document control, and internal reporting.
